NOTE: The copayment rate for teen parents who are not Learnfare participants is minimum copay and is found by selecting the lowest income line (70%) FPL and then finding the copayment listed for the appropriate number of children. Parents who have left a W-2 employment position for unsubsidized work also qualify for the minimum copay for one month. Families with children who are authorized for 20 hours or less are subject to one half of their share of the family copay listed above for those children. No copay is required for parents who participate in Learnfare or Food Stamp Employment and Training. Foster parents do not have a copayment responsibility for the foster children in their care. Kinship care relatives caring for a child under a court order do not have a copayment responsibility. Kinship care relatives caring for a child without a court order pay the minimum copay, unless they are receiving a child care subsidy for another child who is subject to a copayment greater than the minimum copay.
